Approval of Minutes

Reports of Officers and Standing Committees

Bert Reeves explains he has done preliminary research regarding statutes and SORRB's standing procedures, bylaws and special orders to gather some ideas on how the Legislative Task Force Committee can move forward with the increased volume of cases to vote on. Bert states there are a few potential options and requests that a meeting be scheduled for those on the task force, Tracy and SORRB Legal Representative, Elizabeth Crowder. The goal is to have a process in place to vote on in the August meeting so it may take effect by September.

Unfinished Business

There was no unfinished business.

New Business

There was no new business.

Executive Director's Report

Executive Director Tracy Alvord presented her report:

- **Topics for Education Series:** Tracy asks Board Members to please continue sending topics for training following Board Meetings conducted by SORRB Research and Legislative Analyst, Markus Wiegel.
- **Markus' Topic for Today (after the board meeting):** Tracy reminds Board Members to remain on after today's meeting for training. Today's topic is "Objective Testing: VRT & Plethysmograph – How valuable are they in classification?" Tracy explains the training will provide Board Members with an

understanding of how these tests may or may not benefit Risk Assessments and how often they may see them in a report. SORRB Clinical Evaluator staff will attend this training as well.

Deputy Director's Report

Deputy Director Richard Hammond presented his report:

- **New Office Update:** Richard states renovations are still underway, and it appears the end of July will be the final walk through/punch out. The 2 major components still in process are the ceiling work/HVAC and the breakroom updates. Richard states furniture is estimated to be delivered mid-August and the AV installation has been scheduled as well. Staff should hopefully be in the office by end of August.
- **Next Board Meeting:** August 14, 2025

Case Review – Discussion and Vote

NOTE: cases are provided to the board members throughout the month prior to the board meeting, so the cases are read prior to the meeting. Each case is identified by number rather than name to increase objectivity. Any staff member or Board Member that has knowingly worked with the specific offender/court case has been recused and does not participate in the classification of that offender.

REEVALUATION CASES – 6 cases presented for vote

- Discussion: **27162**-This case was pulled last month because the vote to determine if it should be lowered to a Level 1 did not meet a quorum. Bert Reeves again expresses concern with numerous red flags and votes to keep this case a Level 2. Jim Morton states he did review the case again and agrees that the treatment provider implemented what was needed to discuss the offender's issues and agrees with lowering to a Level 1. Ezell Brown also agrees to reduce to Level 1 stating all requirements of the offender have been met. Mindy Ackerman also agrees with Level 1. Tracy explains to Board Members that during the Roll Call Vote they can state if there is a case they do not agree with.
