Our purpose and mission is protecting Georgia's children and communities at large by identifying convicted sexual offenders that present the greatest risk of sexually re-offending. It is the Board's responsibility to determine the likelihood that a sexual offender will engage in another crime against a victim who is a minor, or a dangerous sexual offense. Assessments will be used by the SORRB to determine the risk level of the offenders. Offenders will be classified as a Level I, Level 2, or Sexually Dangerous Predator.
